The map illustrates the layout of Bahria Orchard Phases I through IV and Chinar Bagh. A road labeled 'RAI-WIND' runs horizontally across the upper portion of the map. To the left of this road, an arrow points towards 'Raiwind City'. Five red location pins are placed along the road, each corresponding to a project name: 'Bahria Orchard Ph-I', 'Bahria Orchard Ph-II', 'Bahria Orchard Ph-III', 'Bahria Orchard Ph-IV', and 'Chinar Bagh'. Below the road, a large red silhouette of a building is shown. A white location pin is centered on this building, with the text 'UMER BLOCK' written in large, bold, white capital letters directly beneath it.
